WELCOME TO MAYFAIR LANE'S DRINKS LIST

SINCE 2016

Here at Mayfair Lane we have around 400 wines on our list for your pleasure. The list is divided by region, to help us celebrate each wine and their sense of place. Representations from Western Australia, Australia and International regions are chosen for either their classic style or their weird and wonderful approach of thinking outside the box. By dividing our list this way, we are able to echo the story of each terroir, grape and climate. Their journey is not complete without the perfect pairing of food from our Pub or Dining Room menus... Cheers!

HARK THE VOLCANIC SOILS...

When creating a wine list, I taste many wines; the good, the bad and the ugly. While tasting I think about our customers wishes, and then pepper the list with a few gems that I love, in the hopes that others will love them too. There was a light bulb moment when I discovered the common thread of volcanic soils between these wines, and I wondered why I had never thought of it before.

It has taken me many years to discover why I love these wines. The various countries, grapes and climates they derive from makes you value their integrity, grittiness and lack of pretention; it almost marks them as naked (not to be confused with natural).

Here at Mayfair Lane, I would like to celebrate and introduce my "Volcanic" wines that demonstrate the connection and impact between soil and wine, and the reason why I have now dedicated so much of my time to this fermented grape juice.

Foni Pollitt DipWSET

'...there is no such thing as 'volcanic wine'. There are, however wines grown on volcanic soils that come in a radiant, infinitely nuanced rainbow of colours, tastes and flavours...there is no volcanic wine in the singular, but a great and varied many.' John Szabo MS, 'Volcanic Wines',

Look for the Volcano symbol throughout Mayfair's Wine List to start your discovery
