Here's to the vine that doth entwine, and
the beverage that doth make us shine

MAYFAIR
LANE PUB &
DINING
ROOM
—

Welcome to Mayfair Lane

Since 2016

Here at Mayfair Lane we have around
400 wines on our list for your pleasure

The list is divided by region, to help us celebrate each wine and their sense of place. Representations from Western Australia, Australia and international regions are chosen for either their classic style or their weird and wonderful approach of thinking outside the box. By dividing our list this way, we are able to echo the story of each terroir, grape and climate.

Their journey is not complete without the perfect pairing of food from our Pub and Dining Room menu... Cheers!

‘...There is no such thing as ‘volcanic wine’.

There are, however wines grown on volcanic soils that come in a radiant, infinitely nuanced rainbow of colours, tastes and flavours...there is no volcanic wine in the singular, but a great and varied many.’

John Szabo Ms, ‘Volcanic Wines’

Hark the Volcanic Soils...

“ When creating a wine list, I taste many wines; the good, the bad and the ugly. While tasting I think about our customer's wishes, and then pepper the list with a few gems that I love in the hopes that others will love them too. There was a light bulb moment when I discovered the common thread of volcanic soils between these wines.

It has taken me many years to discover why I love these wines. The various countries, grapes and climates they derive from makes you value their integrity, grittiness and lack of pretention; it almost marks them as naked (not to be confused with natural).

Here at Mayfair Lane, I would like to celebrate and introduce my “Volcanic” wines that demonstrate the connection and impact between soil and wine, and the reason why I have now dedicated so much of my time to this fermented grape juice.

2024	By Farr Viognier	Geelong VIC	48

2023	Domaine des Malandes Chardonnay	Chablis FR	32
------	--	------------	----

There's a wonderful sense of composure in the 2023 Chablis from Domaine de Malandes — a wine that reminds you why this corner of northern Burgundy remains unmatched for purity and poise. The vintage brings a whisper more generosity than the classic linear years, yet precision remains the defining feature: cool citrus and green orchard fruit glide over a silken texture, underpinned by the discreet hum of Kimmeridgian limestone.

Fermentation in stainless steel preserves that crystalline focus, while a brief maturation on fine lees lends just enough mid-palate creaminess to offset the chiselled acidity. It's the taste of maritime breezes and wet stone, of Chardonnay stripped to its essentials — unadorned, eloquent, and quietly self-assured.

A Chablis with the confidence not to shout — it simply is.

------	------------------------------	----------	----

2018	Cascina Luisin Asili Nebbiolo	Barbaresco IT	58
------	--------------------------------------	---------------	----

The Asili cru is often described as the beating heart of Barbaresco — a gently curving amphitheatre just southwest of the village. Sitting at around 250 metres in elevation, with exposures leaning south and southwest, Asili consistently delivers wines of remarkable equilibrium: fragrant, filigreed, and precise.

The nose is immediately transparent and classical: rose petal, sour cherry, orange peel and a faint mineral dusting. On the palate, there's the hallmark Asili tension — a supple mid-weight core of fruit framed by ultra-fine, sandy tannins and a gentle, gliding acidity that feels almost aerodynamic.

A cru that speaks fluently in the dialect of elegance — and a producer that listens closely.

“I drink when I am happy, and when I am sad. Sometimes I drink it when I am alone. When I have company, I consider it obligatory. I trifle with it if I am not hungry and drink it when I am. Otherwise I never touch it- unless I am thirsty.”

-Madame Lilly Bollinger (On when to drink Champagne)

Spirits

When the world shakes you up, don't just
sit there and stir, add a twist to your fate
and mix in some gin and vermouth

They say whiskey is for the old and
wise, but I just like the way it makes
me feel young and stupid
