Here's to the vine that doth entwine, and
the beverage that doth make us shine

MAYFAIR
LANE PUB &
DINING
ROOM
—

Welcome to Mayfair Lane

Since 2016

Here at Mayfair Lane we have around
400 wines on our list for your pleasure

The list is divided by region, to help us celebrate each wine and their
sense of place. Representations from Western Australia, Australia
and international regions are chosen for either their classic style or
their weird and wonderful approach of thinking outside the box.
By dividing our list this way, we are able to echo the story of each
terroir, grape and climate.

Their journey is not complete without the perfect pairing of food
from our Pub and Dining Room menu... Cheers!

‘...There is no such thing as ‘volcanic wine’.

There are, however wines grown on volcanic soils that come in a radiant, infinitely nuanced rainbow of colours, tastes and flavours...there is no volcanic wine in the singular, but a great and varied many.’

John Szabo Ms, ‘Volcanic Wines’

Hark the Volcanic Soils...

“When creating a wine list, I taste many wines; the good, the bad and the ugly. While tasting I think about our customer's wishes, and then pepper the list with a few gems that I love in the hopes that others will love them too. There was a light bulb moment when I discovered the common thread of volcanic soils between these wines.

It has taken me many years to discover why I love these wines. The various countries, grapes and climates they derive from makes you value their integrity, grittiness and lack of pretention; it almost marks them as naked (not to be confused with natural).

Here at Mayfair Lane, I would like to celebrate and introduce my “Volcanic” wines that demonstrate the connection and impact between soil and wine, and the reason why I have now dedicated so much of my time to this fermented grape juice.

2020	Domaine Weinbach Cuvée Colette Riesling	Alsace FR	63
------	--	-----------	----

A quiet homage to Colette Faller, the great matriarch of this storied estate. Sourced from sandy soils at the foot of the Schlossberg, white peach, citrus zest, and a whisper of tropical warmth open on the nose — a gift from the generous 2020 vintage. Crystalline and focused on the palate, with a bright saline acidity that keeps the wine's richness honest. Finesse over force.

2023	Gut Oggau 'Atanasius' Zweigelt Blaufränkisch	Burgenland AT	37
------	---	---------------	----

One of Austria's cult biodynamic estates, where Eduard and Stephanie Tscheppe revived a derelict 17th-century winery and gave every wine a fictional family member's face and personality. Atanasius — the easy-going, charming "son" of the range — comes from 35-year-old vines on gravel and limestone by Lake Neusiedl, hand-harvested and spontaneously fermented with three weeks on skins. Bright cherry, blackcurrant and a touch of spice over soft, supple tannins, with the lake's moderating effect keeping the acid fresh. Natural wine with genuine personality — approachable on the first pour, layered on the second.

2022	Standish 'The Schubert Theorem' Shiraz	Barossa Valley SA	73
------	---	-------------------	----

Coravin is a wine-preservation system that let's you pour wine without removing the cork

From the novice to the expert, it is there to help you taste the wine without wasting the wine... and without breaking the budget!

“I drink when I am happy, and when I am sad. Sometimes I drink it when I am alone. When I have company, I consider it obligatory. I trifle with it if I am not hungry and drink it when I am. Otherwise I never touch it- unless I am thirsty.”

-Madame Lilly Bollinger (On when to drink Champagne)

When the daily grind becomes too much

Spirits

When the world shakes you up, don't just
sit there and stir, add a twist to your fate
and mix in some gin and vermouth

They say whiskey is for the old and
wise, but I just like the way it makes
me feel young and stupid
